# Nurse-Led Discovery: Advancing Patient Care in Daily Practice

## A Summit for Achieving Magnet Research Standards

This summit will help to demystify Magnet Research standards. Learn why research is important, see how it can be incorporated into your daily practice, and learn how it can improve your life and your patients' health.

**Wednesday, June 1, 2005**

Oncology Nursing Society National Headquarters  
RIDC Park West  
Pittsburgh, PA

Inviting the participation of Chief Nurse Officers, Nurse Managers, Nurse Educators, Clinical Nurse Specialists, Data Nurses, Quality Improvement Coordinators, Patient Safety Officers, Utilization Reviewers, Nursing Students, and others interested in advancing patient care in daily practice...

Application has been made for 9.0 contact hours to the ONS Approver Unit. ONS is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission.
