

# Calling reproductive health activists!

# SALK

## HEALTH ACTIVIST FELLOWSHIP

### YEAR OF THE NURSE & MIDWIFE

Gain the skills to understand & **influence policy**, **use storytelling** to connect with your audience, **build public will**, and **work with politicians**

Apply these skills to improve **reproductive health** impacting **nurses** & **midwives**

**Work across disciplines** with other future leaders in health care

During the International Year of the Nurse and the Midwife, the 2020 Salk Health Activist Fellowship will focus emerging activists on critical reproductive health issues that impact the work of nurses and midwives. COVID-19 has disrupted essential women's health services with changing policies and practices across the nation. Now is the opportunity to advocate for a renewed platform for women's health and create lasting change.

This 9-week program meets on **Tuesdays** from **4:00-6:00pm** virtually on Zoom  
The Salk Health Activist Fellowship runs from **September 22** to **November 17**,  
with the finale event on **Thursday, November 19**

**APPLY TODAY:**

[www.hcfutures.org/fellowships/salk](http://www.hcfutures.org/fellowships/salk)

**DEADLINE EXTENDED: SEPT 13**
